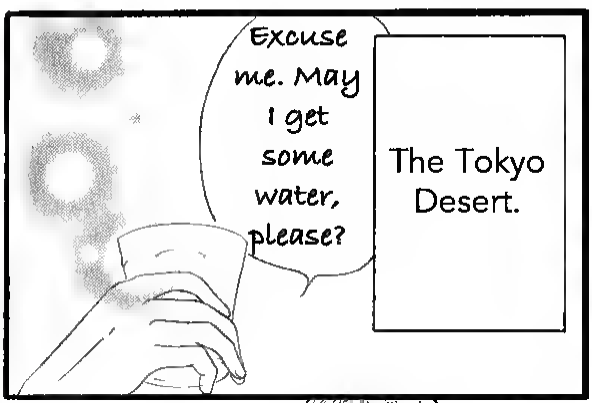
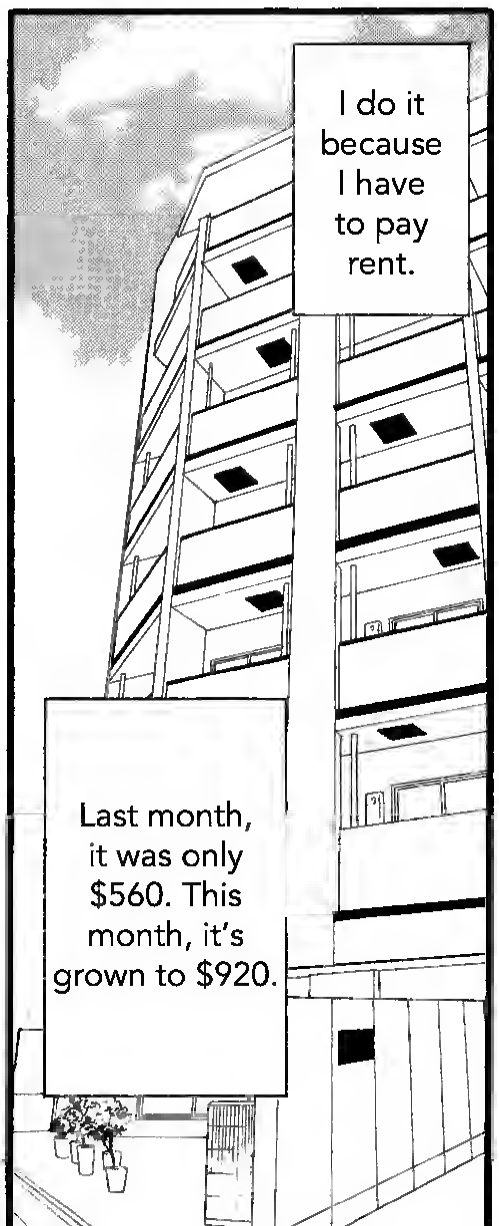
恋愛メトロ
Lesson 3

Originally, I just wanted to work at a bakery.
But now, I work at a restaurant during the day and a net café at night.
wobbl
I increased my part-time work.
Thank you very much.
Welcome.



Excuse me. May I get some water, please?
The Tokyo Desert.

Wel...
of course.
...come



I do it because I have to pay rent.
Last month, it was only $560. This month, it's grown to $920.

How did he know I was here?
Say Manager, Tsuburaya-san is..
NOOOO
I'm in need of money and I heard that they're hiring
You're not going back to college? What are you doing?
Desert
Demon.
Like there's a way to quickly make money!
You're scary so I didn't want to tell you!
Stop touching me uso scandelously!
Yikes
drag drag
Hurry and get him to come over again.
Can't I be happy just living as senpai's neighbor?
You're still wearing these ugly bookish eyeglasses
Didn't you want me to move and become Shusuke's neighbor?

Why are you blushing?
Waah!
You're making me angry
Again...
Ding
boing
NO!
You're back to square one!
Bu...
But,
I'm able to be delusionally happy being senpai's neighbor.
So what?
Don't you get it?! 12 months! 12 months!
New Years' Eve!
Christmas!
Winter vaca-tion!

Do I need to pile up a bunch of reasons to have sex!?!!
He'll end up with her!!!
12 months (reality)
Shusuke senpai and...
Don't you want to have sex?
What's with the groveling?
Atsushi sensei.
He hates me.
While i've been busy with work, senpai's been with her.

You work at a bakery, right?
Are you able to get the leftovers?
Is thot what you wont?
Idiot!
Use them to get in his place!
And then...
Okay,
What's with the kindness?
Also, quit it with the glasses!
Huh?
Even going one time won't mess up your rent!
Smack
Ow,
Go to school!
Don't think about work, DUMMY!
Could it be, that he's worried about me?
What's this?

No way...
Point
Work is fine, but try your best at this.
Point
I thought you were a demon.
sob
I'm sorry.
clank
glint
I wonder if sighing is a sign of love.
For the two weeks,
I hadn't come back to school,
Ha
sigh
rattle
The teacher was talking like he was from a different dimension.

Acchan is free now.
Moe-san!
What are you going on about?
Did I become cupid for you?
ba-dump
Eh...
This must be a misunderstanding!
bam
bam
bam
No! What's with this "ba-dump"!?
Umm— Moe-san, are you saying Atsushi likes me?

BAM
Yeah
Was that bento strategy fram that time a hit?
Guilty conscience 1000%
Acchan, you know,
No— A, how should I put it...
Likes Nozomi-chan.
Afterall, Acchan and I,
Only Moe-san
Would talk to me about this!!!
Love each other. You guys are like celebrities because you're always together!

Moe-san?
Eh, What did?
I'm sure it went well with Acchan.
Ah! Oh yeah!
If it was Acchan, he wauldn't want yau to feel uneasy
Uneasy?
Ah.
Yep— Nane at all.
ba-dump
I forgot.
What's that?
I like Shusuke-senpai so much.
Since I didn't wish for this, I have to believe it.

Moe-san and Senpai,
don't seem like they're getting along
fwoosh
...cuse me
Excuse me.
Ah.
Okay
clatter
Ummm— I'd like the bill, please.
T/N *I have no idea what that means.
For a 3 hour pack*
That'll be $12.60.
Holy cow! The talk with Moe-san surprised me.
I don't really expect that, but..

I really hope so.
Huh?
thud
thud
thud
Whoa!
Hold that elevator!
Huh?

What amazing timing!
Lucky!
Senpai!
It's better to have good luck!!!
Ah.
Yeah.
Thank you,
Nozomi-chan
Waah
Ba-dump
squeeze
See you later.
wave
wave
This is heaven...
I'm glad I moved
ba-dump
ba-dump
Even with the high rent,
Oh.
Okay
I for-got...
I have to share what I have to get in with him!
Ah.

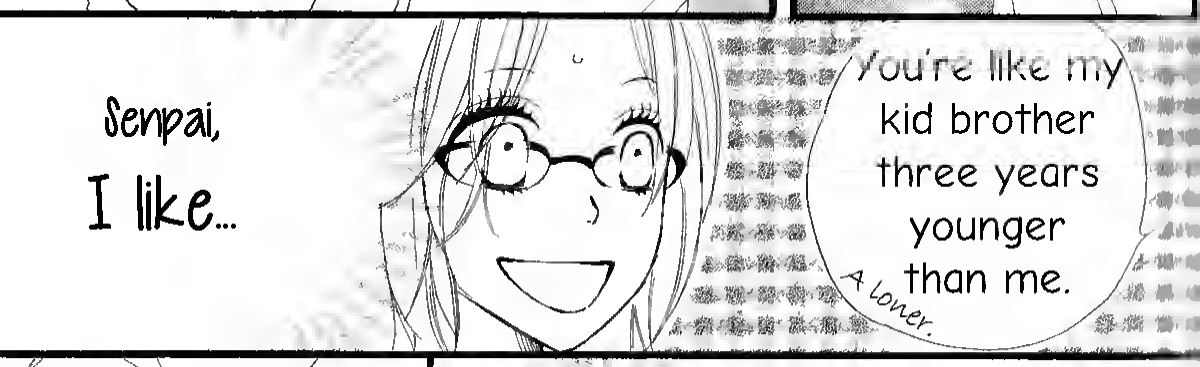
I mean, how do I get into Senpai's place?
I heard it was the same layout as mine, but
What is it?
I'm about to burst!
Before, about the elevator, thanks.
He heard me!
Kyaaa!
W...well, I was about to leave...
Uh, huh?
Uhhh
I was throwing the trash.
Is this what he meant?
Oh, ah umm!
What?

I have some bread.
Is this a chance?!
I'm sa happy!
Is it really okay to give them to me?
It's as Atsushi said
Yes. You can have all of them.
It's been a while hasn't it?
What?
I wonder if this is the edge
Moreover,
This is senpai's room This is senpai's mug!
splurt
THWOK!
Your glasses.
☆

Hurry up and get on Shusuke's crotch!
You okay?
Crap! I gotta keep ahold of myself!
Cough Hack Cough Hack Cough
What did I come here for again?
drip
Ah
Senpai
creak
creak
yeah
ahem
yeah
It must've been my delusion of senpai.
That must be it.
It wos cold outside.
You must've gotten a rush of blood to the head when you warmed up.
wa
wa
Are you really okay?!

Wah!
He's laughing...?
Uh,
Sorry.
giggle
Nozomi-chan is here and I recalled yau parent's place.
oh.

Uh
pfft



Senpai,
I like...
You're like my kid brother three years younger than me.
A loner.

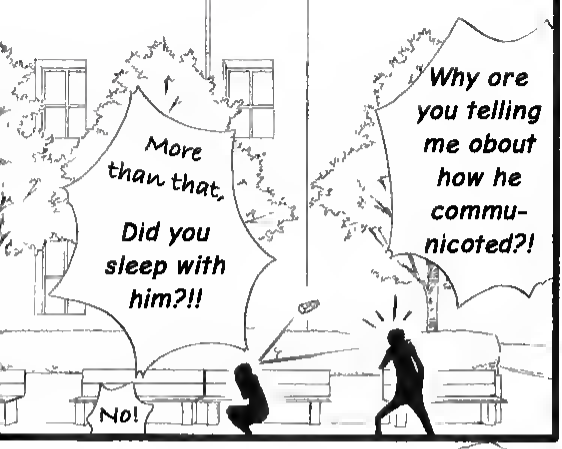
I wonder why...
You know, when I went ta the clubroom,

Senpai?

pfft
You're so interesting that I don't know what you're going to do next.
Somehow, I feel like I can speak freely with you.

I was happy when I spotted you.
It's been three years since I've left for Tokyo.
We're from the same town.
And now, you're here. I feel **relieved**
After all this, you're even my neighbor. Please treat me well.
Here... Have half

I'm
Really
Is it good?
nods
Senpai's words
Really
We've run out of your bread, huh?
Glad I moved.
are magic.
Magic, you say...
A poem, huh?
Are you fucking kidding me?!!



Why are you telling me about how he communicated?!
More than that. Did you sleep with him?!!
No!

Eh—
Isn't that a huge step?

How is being mistaken for a younger brother even a step!
AAH
What kind of *flag* is that?!

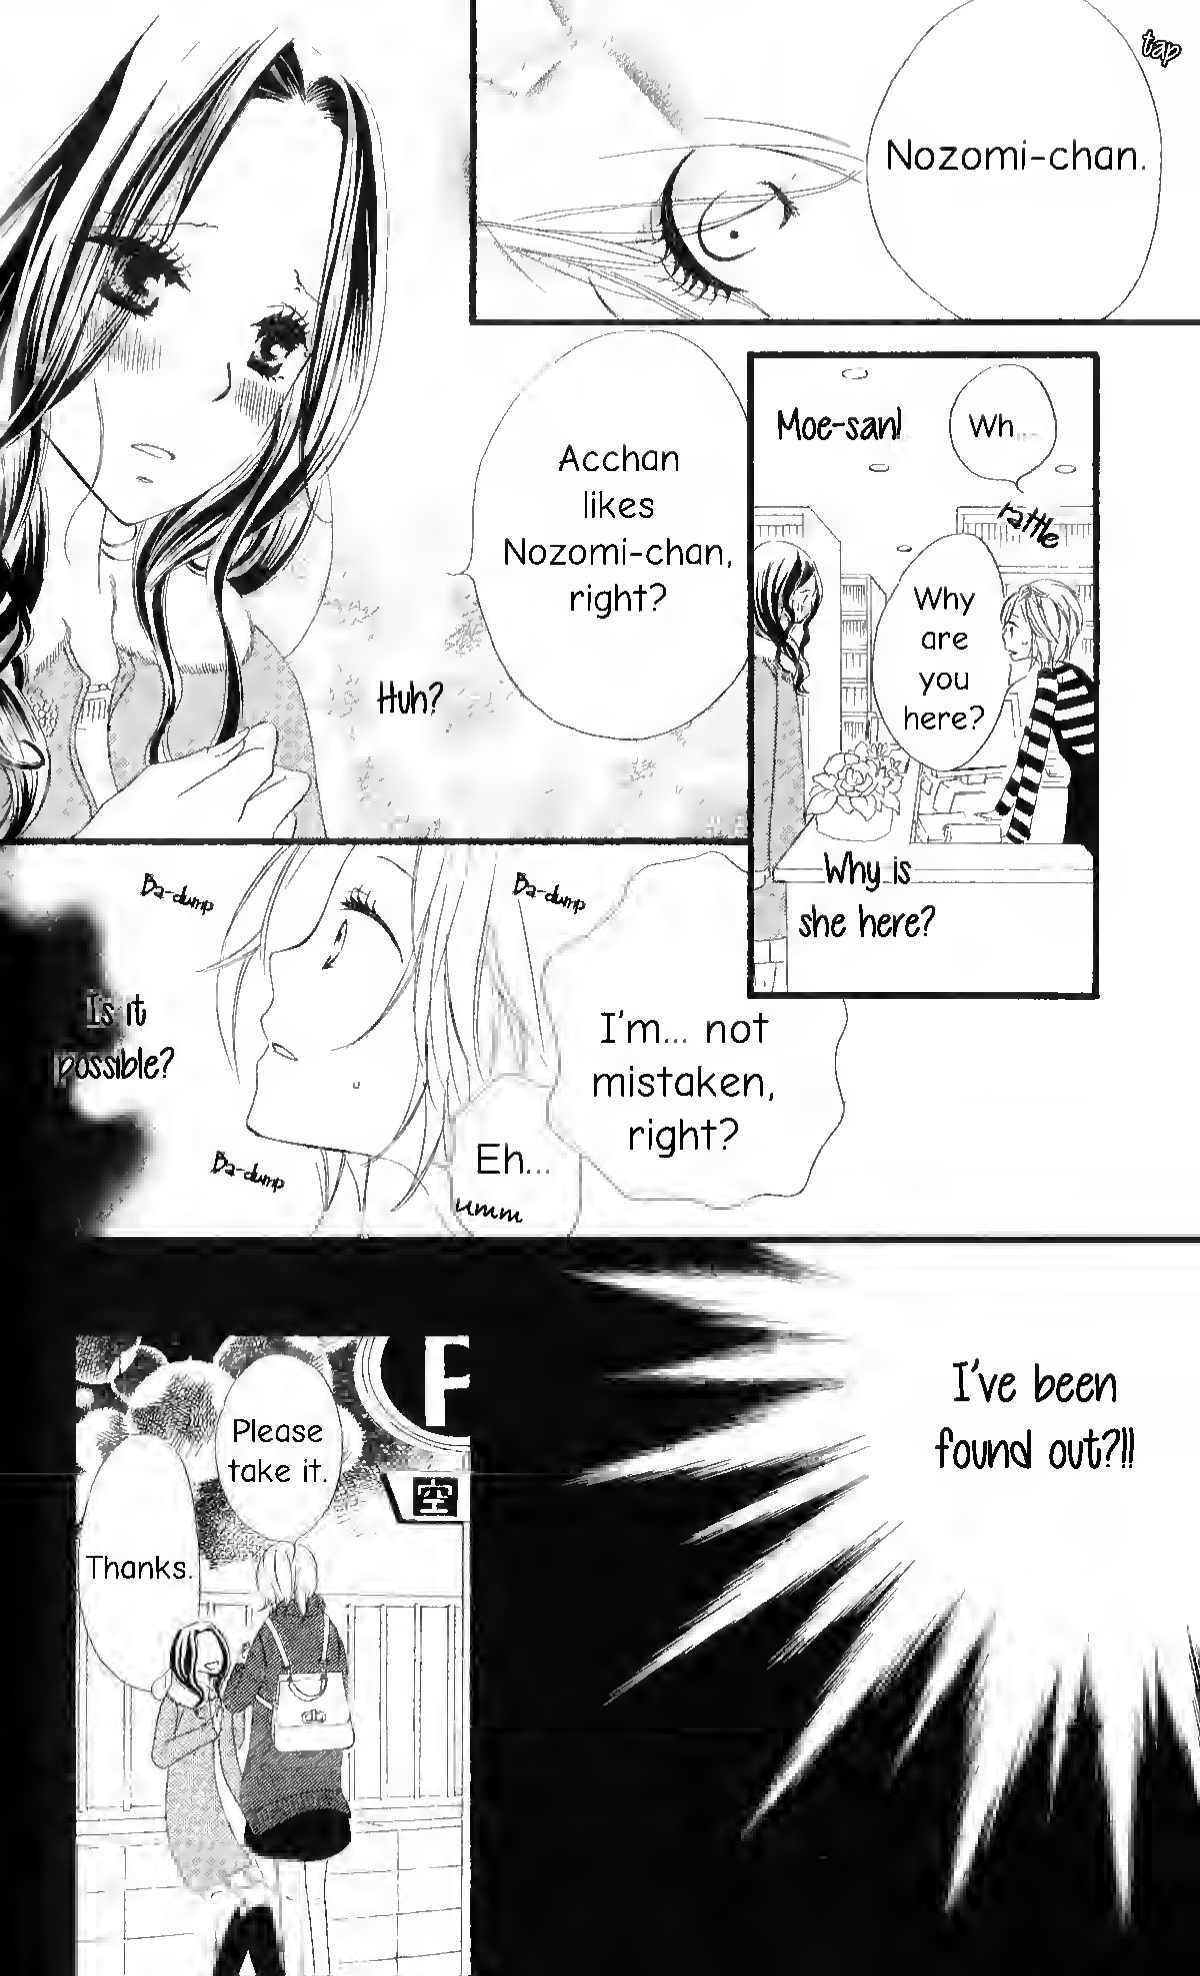
Yeah
Didn't he express his feelings in a poetic way?
irritated

ROAR!
Look at reality!
That's not going to separate Shusuke from aneki!
To Shusuke, you aren't "her"!

sob
It's hopeless...
Am I not suited for love?
doom
You're not progressing because of your ridiculously huge delusions!
You're not.
Eh, yeah. So it's about my delusions.
Your virginity is like a protected species that should be exhibited at Tokyo Tower.
I'm not your pupil, you know!
Atsushi sensei?!
You're awful!!!
If the love's not suitable, then STOP it.
You're not suited, Nozomi.
You know it.
You... you're abandoning me!!

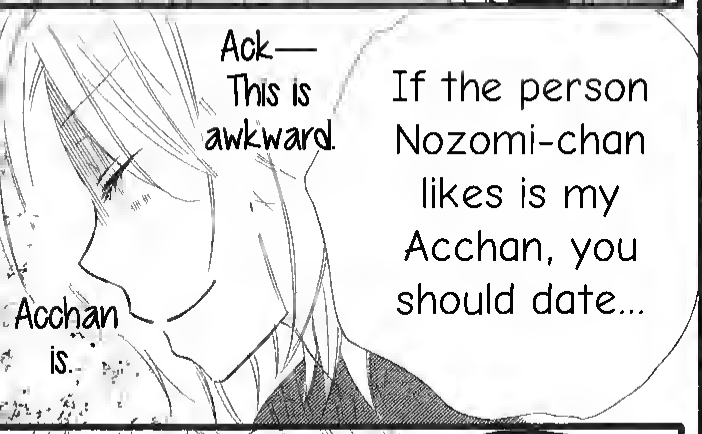
You seem like a housewife who's come back from the market shopping for apples.
The way you choose to appear puts you at a disadvantage.
It's like trying to evaluate if something is sweet or sour.
Men are not princes.
Wandering aimlessly with your homely glasses, you're the LOWEST OF THE LOW.
I don't have a comback...
However, you...

...Are undoubtedly a sweet apple.
But Atsushi
is always
a little kind
Listen
You're not having sex
You want sex.
To hove sex
If yau have the chance far sex,
Have sex!
What is he saying?
flip
sweet...
yawn
vacation
Even today, he must've brought them.
apples.



tap
Nozomi-chan.
Acchan likes Nozomi-chan, right?
Huh?
Moe-san!
Wh...
rattle
Why are you here?
Why is she here?
Da-dump
Da-dump
Is it possible?
I'm... not mistaken, right?
Eh... umm
Da-dump
Please take it.
Thanks.
I've been found out?!!

You're right.
That cat burglar!
Shusuke's mine!!!
You know,
I'm sorry...



Ack— This is awkward.
If the person Nozomi-chan likes is my Acchan, you should date...
Acchan is.

Huh?

Sorry for coming so suddenly.

You came... as soon as you were done with your part-time job.
What am I going to do if my feelings are exposed?!
Are you...
Okay with me? I don't understand.

Ahh...
I think I'll try and end this conversation now..
Oh, but your reasan is...
Umm...
What were we talking about again?
I haven't been exposed?
Ah.
Nat passible, huh?
Is this why she came back here in the middle of the night?
First of all, it's best ta start at the begin-ning.
It's about Shusuke-kun.
flinch
Ye. yeah.
I heard Acchan likes Nozomi-chan.
I usually discuss things with Acchan, but...
Did I hear wrong?
I really don't want to talk about this.
What are yau gaing ta da abaut Acchan?

Shusuke-kun..
Yeah, Shusuke-kun
Oh.
Sorry, I thought we were talking about Shusuke-senpai.
Moreover, what an unexpectedly horrible conversation!
Umm
Shusuke-kun..
We're dating, and yet, we haven't had... sex...
No way
I only want to say that Acchan is very important to me.
I
If Acchan learned about it.
It makes me feel anxious.
Had thought that Moe-san was flawless.

Towards me...
I don't know what he thinks of me...
Then...
If it was me,
Did I really expect to catch up to her?
No way
I'd do it soon.
Since it seems like Moe-san absolutely believes this,
Nozomi-chan, Acchan is in love with you.
If it's true, will you date him?
I'm saying.
If I hear more than this..
As for Shusuke-kun,

I even chased him in college.
That's why,
I'LL STOP!
It's all right!
Shusuke-senpai undoubtedly loves you!.
For three years,
I've always loved him.
I'll bury my feelings in this breeze.
I also like Shusuke-senpai

Eh—
Don't!
I'm sorry!
sobs
Nozomi-chan...?
sob
sob
I didn't come here to talk about this, but something else
Huh?
Umm, you know,

I have a vacation home that accommodates four people so won't you come along during winter break?
That's why,
What the heck was that other conversation about?
Like collaborate on various things.
I'm saying that with four people, there might be some sort of progress.
Yeah,
I want you to come with.
These siblings

Are tough.

Say, are you an idiot?
Just admit it, you must be an idiot.
I might be an idiot.
There's no maybe about it!
Lost to him
I thaught I was going back to America far winter break, however
I'm sorry
I'm sorry
So,
What about you?
You must have some sort of plan.
I do!

Last night, I imagined various sceneries that I didn't get a wink of sleep!
Senpai, here's breakfast! ♡
No~ I'm scared.
You'll be fine since you have me.
I love you.
giggle
Hustle
These won't work!!
Aah!
Acchan, the rental car is here.
Nozomi-chan!
Okay!
che

I'm going on an overnight trip to Karuizawa
Thanks for waiting!
With senpai,
.....
doki doki
I'm happy that
morning, noon,
and night will be with senpai
Nozomi, here's a good strategy
Yes!
You listening?
Right now, I feel like I can do anything!
What I tell you, you must absolutely do it.
At Karuizawa, if you wear...

No underwear.
Want to meet at this spot?
Hm?
No
Under!?
It's what I heard.
DO IT!
Huh
!?
